Gloria is back in the office and I spoke with her yesterday. She indicated that the due dates for the Arkwood FOIAs have been extended and that there will be an upcoming meeting that she and/or the FOIA folks will organize to update status and path forward.

Hi Gloria,

My mgmt wanted me to check with you on the status of these three FOIAs: FOIA # EPA-R6-2015-008322, EPA-R6-2015-008323, and EPA-R6-2015-008325.

These three FOIAs are all related to Curt's original request on four issues for the McKesson-Grisham lawsuit.

You had indicated that you will be coordinating/preparing the responses for these three FOIAs due to Curt having an attorney now and the intent and purpose for use of the responses. My understanding is that the EPA attorney Mark Ford will be handling the fourth issue from that original request separately.

Please confirm the above, or let me know if anything has changed. The site team is ready to assist as well.

Thanks,
